Notes/Narratives

NARRATIVE

SYNOPSIS: On 08/08/09 at 2142 hours, Angela Ferguson reported Todd Ready assaulted her while in the area of Houston and Cooper, Gilbert when he choked her twice. When Angela attempted to get out of the vehicle, Todd sped away knocking her down causing her to scrap both knees.

NARRATIVE: On 08/08/09 at 2142 hours, I responded to Houston and Cooper reference a female being choked by her boyfriend who had left the scene. Upon arrival, I observed a white female, verbally identified as Angela Ferguson standing in the street next to a vehicle using the phone. I observed both knees of Angela's to have abrasions with fresh blood trailing down both legs. I noticed some faint red marks around her neck and her bottom lip to be fat with dried blood on it. While speaking to Angela, she reaching in her mouth and pulled out part of her tooth. Angela indicated the tooth was rotten and she was not surprised that happened. While speaking to Angela, I could smell a strong odor of alcohol coming from her breath. I asked Angela how much she had to drink and she told me she could not remember.

Angela indicated to Gilbert Fire she has been diagnosed [REDACTED] was taken several medications to combat such orders. Angela indicated several times throughout my interview she felt the Medicare System is faulty and she was trying to fix it.

INTERVIEW WITH VICTIM: Angela said Todd Ready have been living together on and off for approximately a year but she has been living in his apartment at [REDACTED] the last 4 months. Todd had asked her to go on a camping trip with him and was on there way to the carwash when Todd started getting mad at her for speaking with male friend. Angela became angry because she knows Todd speaks with other females all the time. Angela grabbed his phone and was going through his phone to show Todd his double standard; but Todd, while he was still driving ,grabbed Angela by the neck with his right hand attempting to get his phone back. While stopped at the intersection of Cooper and Houston, Angela indicated Todd grabbed her neck with both hands. When the light turned green, Angela said Todd turned down the dark street which she felt he was going to kill her. When the car slowed down, Angela attempted to get out of the vehicle by jumping out. When Angela was able to get out of the vehicle, she noticed Todd drive away east bound on Houston. Angela ran up to a vehicle which was driving west bound and asked if she could use their phone to contact the police. I asked Angela if she would be willing to prosecute Todd and she told me she was not sure. I late received a phone call from Angela indicating she would like to aid in prosecution.

After being treated and released by Gilbert Fire, I transported her to her mother's house and released her.

I attempted several times throughout that night to contact Todd at his apartment, however no one was home. On 08/10/09, I responded to Gilbert Police Lobby reference Todd ready attempting to serve Angela with an order of protection. I contacted Todd and escorted him to an interview room where he told me the following. Todd indicated Angela has been enabled by him for the past few years and he was tired of it. Todd showed me a copy of his order which he listed an incident which occurred on 08/08/09 which was the same date Angela reported an assault. On Todd's order, he indicated Angela leapt from the vehicle while he was driving. I asked Todd if he could explain in detail what occurred and he said he they were on their way to the car wash when Angela got angry and started hitting him. At that point, Todd said he was going to drop Angela off at her mother's house. While on their way, Angela threaten several times she was going to jump out of the car while it was moving. Todd grabbed her several times to keep her from jumping. When Todd made the turn onto Houston, Angela finally was able to get away and jump out of the vehicle. Todd said he

drove away because he was tired of dealing with her and felt she was okay when she contacted the other driver. That concluded my interview with Todd.

After conducting both interviews, I have determined Todd did not choke Angela, but was attempting to prevent her from hurting herself by jumping out of a moving vehicle by grabbing onto her. Also, Todd's intention was to drop Angela off at her mother's house who lives in the area and that was the reason he turned down Houston.

CONCLUSION: On 08/08/09 at 2142 hours, Angela Ferguson reported Todd Ready assaulted her while in the area of Houston and Cooper, Gilbert when he choked her twice. When Angela attempted to get out of the vehicle, Todd sped away knocking her down causing her to scrap both knees. This case cleared non-crime resolved.
